

THE WELLNESS VEDA

Hello Sir/Ma'am
Greetings from The wellness veda!
Hope You Are Doing Well Today.

We at The wellness veda are pleased to present the proposal for your review, please find the below introduction.

Our Goal:-

we look forward to starting a new relationship with you and making you a part of our family, Our plan is to optimize our brand and provide better shopping access to customers across India. Even smaller town, villages, Districts are in immense need of global reach and access to have the quality research products to all our customers at the cheapest price.

What Is Teleshopping :-
What Is Teleshopping :-

Teleshopping (Some times known as inside sales, or telesales in the UK and Ireland) Method of direct

marketing in which A sales person solicits prospective customers to buy product or services, either over the phone or through a subsequent face to face or web conferencing appointment scheduled during the call. Customer who feel convince utility of the demonstrated product, Contact to the company by call and place orders goods and delivered to buyers through courier or value payable post, Dealer, Distributors logistic partner.

HOW DO WE OPERATE -

Our Company requires distributors in all over India to distribute our products to the Customers quickly and timely and for this the Dealers get a profit of Rs. 800 per product delivery. Distributor will get 3/4 orders per day and get a profit of around 3000-4000 per day.
